## PAWZitive Therapy Conditioning and Protection Stick

### Product Description:

NuHemp PAWZitive Therapy Conditioning & Protection Stick is a convenient way to provide year-round, daily soothing and moisturizing relief for your pet's cracked pads and minor skin abrasions...naturally! During the winter months, it also provides shielding protection from cold weather, ice, salt and rough surfaces.

### Product Benefits & USP's:

- Safe and non-toxic
- Made with all-natural, 100% pure Canadian hempseed oil and an exclusive blend of natural botanical, essential & tea tree oils
- Easy-to-apply stick with no mess or fuss
- No colours added
- Leaves no residue
- Provides protection from ice, snow, salt and pavement
- Soothes, conditions and moisturizes chapped pads
- No animal by-products or animal testing

### Ingredients:

Cocoa Butter, Hempseed Oil, Shea Butter, Stearic Acid, Beeswax, Vitamin E, Safflower Oil (and) Aloe Vera Extract, Safflower Oil (and) Chamomile Extract, Tea Tree Oil, Grapefruit Essential Oil, Lavender Essential Oil.

### Directions:

Apply daily to your pet's pads for conditioning and prior to walking for protection from the outdoor elements. Can also be applied to other parts of the body for skin conditioning/moisturizing.

### Specialty Nutrient Information:

**Hempseed Oil:** Hemp seed oil is one of the world's richest sources of polyunsaturated fats, including both of the essential fatty acids (Omega 3 and Omega 6) and GLA (gamma linolenic acid), which make it an excellent natural emollient and moisturizer. Body care products containing hemp seed oil can reduce skin discomfort by soothing & restoring dry or damaged skin and increasing the natural moisture retention capacity.

**Cocoa Butter:** A natural substance from cocoa beans that moisturizes, softens and conditions skin. A natural antioxidant and natural source of Vitamin E.

**Tea Tree Oil:** One of the most useful of all essential oils, especially as an antiseptic. The antiseptic, additional germicidal, anti-fungal, anti-bacterial and immune-boosting qualities of Tea Tree Oil make it applicable to a wide range of health conditions.
