2-Chomp Munchies

Product Description:

NuHemp holistic gourmet 2-Chomp Munchies™ are nature's tasty boost for your pet's good health. A nutrition powerhouse, they contain Omega 3, 6 & 9 essential fatty acids and natural anti-oxidants to maintain the immune system for a balanced metabolism. All of our delicious hand-cut munchies are baked in small batches to ensure optimum freshness and nutrient activity.

Product Benefits & USP's:

- A delicious natural treat made with all-natural, human-grade ingredients
- Readily-digestible, gluten-free vegetable protein
- No chemicals, salt, colour or artificial preservatives added
- High in soluble fibre
- Supports digestion and nutrient utilization
- Delivers sustained energy levels
- Wheat, Corn & Salt Free
- PLUS varieties to promote skin, coat and joint health
- No animal by-products or animal testing

Specialty Nutrient Information:

Hemp Seed Meal: A whole food, gluten free powder that is an excellent source of dietary fibre, complete protein and the Omega 3,6 & 9 Essential Fatty Acids (E.F.A.'s).

MSM: Methylsulphonylmethane is a rich source of organic sulphur essentials for the correct functioning of connective tissues and joints. MSM helps maintain joint fluid and cartilage and therefore healthy joint function.

FOS™: A prebiotic fibre for companion and commercial animal feeds to promote a healthy digestive tract. Stimulates the growth of beneficial bacteria in the gastrointestinal tract, which helps strengthen the immune system and reduces susceptibility to pathogenic bacteria.

Glucosamine HCL: A charged sugar molecule that is a key component of the extra cellular matrix of cartilage (grout between the cartilage cells). Enhances the body's ability to manufacture collagen and proteoglycans which are essential for rebuilding joints as well as synovial fluid which lubricates joints.

Barley & Oat Flour: Whole grains with high levels of dietary fibre and essential nutrients such as Selenium (a type of anti-oxidant). Also enhances flavour and gives the treat a very palatable texture and consistency. Use of these flours allows 2-Chomp Munchies to be completely free of wheat or corn making them easy on pets with digestive tract issues.

Rosemary: A natural preservative which also serves to enhance flavour. Contains anti-oxidants for added cellular protection.
